50 BOOKS TO READ BEFORE YOU LEAVE

Books

TRAVEL TO MAGICAL WORLDS

We have chosen these books as we believe these are texts help stimulate talk, encourage vocabulary, allow children's imagination to develop and help explain some issues that may arise in your child's life. Enjoy these stories with your children—remember these stories can be read aloud by adults for your children to listen to. Some of these texts are used within school during whole class reading, assemblies and for our topics. The library in Wootton Bassett has our list and stock many of the titles. The majority of books are also available in school and are kept in book corners, the school library and Mrs. Pass' office. You are always welcome to come along and choose books from school. Please show this sheet to your child's teacher every 20 reads for a special prize from Mrs Pass.
