We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively.

What is Bullying?

Bullying is the repetitive, intentional hurting of one person by another, where the relationship involves an imbalance of power. Bullying can be carried out physically, verbally, emotionally or through cyberspace.

Bullying can be:

- Physical pushing, kicking, hitting, punching or any use of violence
- Verbal name-calling, sarcasm, spreading rumours, teasing
- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Cyber All areas of internet, such as email & internet chat room misuse
mobile threats by text message & calls
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic This includes homophobic, biophobic and transphobic

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors, teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.
