Provide appropriate guidelines for data protection

2. Roles and responsibilities

Teachers

When providing remote learning for a class bubble closure or national lockdown, teachers must be available between 9.00 am and 3.00 pm (unless they are the person who has tested positive).

Teachers will provide remote learning for a pupil/small group of pupils who are self-isolating.

If they are unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When providing remote learning for a class bubble closure, teachers are responsible for:

Online offer:

- Each day the child needs to be able to access:
 - 1 x maths activity - (Doddle Maths)
 - 2 x English activities (reading and writing)
 - 1 x Phonics activity
 - Foundation subject activities based on a designated topic
 - All learning will be available on the school website.
- There will always be an activity for the children to complete and upload for each lesson, every day.
- 'Teacher-time' - each child will be offered a weekly communication with the Teacher during a 10-day self-isolation period. This could take the form of an email, a phone call, or a message.

Paper offer:

- A weekly pack of paper worksheets/textbooks/activities will be provided for Phonics, English, maths, science and foundation subjects. Enough for one lesson each day.
- An appropriate book band reading book/decodable book and a reading for pleasure book will be provided in the pack.
- A family member/friend (who is not self-isolating) can collect or in exceptional circumstances a member of staff will deliver it to the household.
- The work will be returned when the next pack is collected and, feedback will be given.
- Again, during the self-isolation period the class teacher will contact the family - either through email, or a phone call once each week to check in and see if everyone is ok with the remote learning

Attending 'Teacher time' virtual meetings with pupils and parents:

- When any virtual face to face sessions have been concluded, the members of staff leading the meet must be the last person online. Once all pupils have left the room the teacher must delete the chat and link. There should always be two members of staff present during face to face online sessions.

Teachers can refer to their Acceptable User Policy (AUP) for acceptable communication advice when in contact with families.

In the event of a national lockdown, where teachers may be on a rota to work in school with key worker or vulnerable children as well as prepare remote learning, daily PPA time (of at least an hour) will be allocated to ensure they can still adequately provide remote learning.

In the event that the teacher is ill and therefore unable to provide remote learning the year group partner will ensure provision is met. If the year group partner is also unable to provide learning, the Headteacher will ensure the provision is met.
