

Wiltshire Library membership

Application form for children visiting the library with a school

Dear Parent/carer,

Your child's class will be visiting the library and as part of the visit we will be offering them the opportunity to borrow books.

Before they can do this, they will need a library membership (if they haven't got one already). **It's free to do this, just complete the form over the page and then:**

- **Either** return the form to the teacher **before the visit**. A library card will be ready for your child at the library on the day of the visit.
- **Or** visit the library yourself **before the visit** and we'll join your child. If you are coming into the library, please bring some ID with you (e.g., driver's licence).

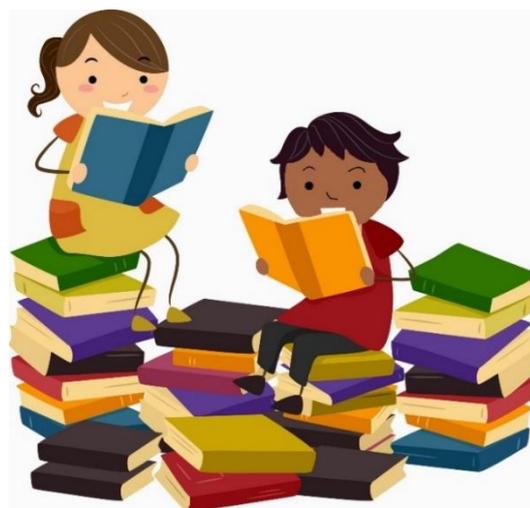

Does your child already have a library card? Please make sure it is up to date (not expired) before the visit, to check this telephone or email us (details below).

If you have any queries about a current family membership e.g. fines, please contact your local library before the visit.

Help your child discover a love of reading

Wiltshire libraries have thousands of books for children of all ages and abilities, from the latest fiction from top children's authors to information books to inspire interests and help with homework. Plus children's eBooks, eAudiobooks and audiobooks on CD.

We can also help you to select the best books for them - to help them improve their reading ability and develop a love of reading for pleasure.
