19th November 2024

Dear Parents and Carers,

Friday 29th November 2024 - Christmas Lights and Shopping Evening

This year, the Town Council will be closing the High Street at 2pm again but it seems that the parameters have been extended. The road will be closing at 2pm precisely from the crossroads at the bottom of the hill and the top of Station Road making our school inaccessible to vehicles.

We have previously communicated that on this day we would close our school at 2pm to give parents and carers time to get off the High Street and affected roads before the road closes. However, after considering our options we will now be closing the school at **1.45pm**. Hopefully, this will allow all children to get home safely and in plenty of time.

Don't forget if you are attending the Christmas Lights and Shopping Evening to visit our stall run by our wonderful PTA. If you can spare an hour and would like to volunteer please register here: volunteersignup.org/JP3LR

Yours Sincerely

Mrs Alison Pass
