## M u s i c , P E & A r t

### Music in School

The Reception children have been moving to music, making rhythm and listening to the pulse of different genres.

In Year 1 we have been trying to keep to a rhythm with body movements and using instruments.

Year 2 children have been learning to play the Glockenspiel. These were bought by the PTA allowing each child to use their own.

# PE

We have been dancing with Emma Carter, a freelance dance teacher. Our Reception children have been exploring using their bodies around the theme of the Seaside.

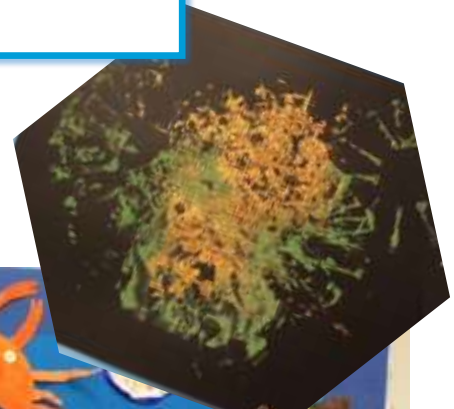

The Year 1 children have been looking at Tudor dancing.

Children in Year 2 are dancing around the theme of 'The Lion King'
