

### Communication and Language/ Literacy

- We will begin to learn Phase 2 phonics sounds.
- We will listen for familiar sounds.
- Sing rhymes and familiar songs.
- Tracing names and recognising the letters in our name.
- Mark make with a range of materials- chinks, paint, sand, crayons .
- Develop our confidence to share our ideas and thoughts with others in the class.
- We will be having whole class listening sessions where we will practise the skills we need to be a good listener.
- Sequencing stories we know well.

### Mathematics

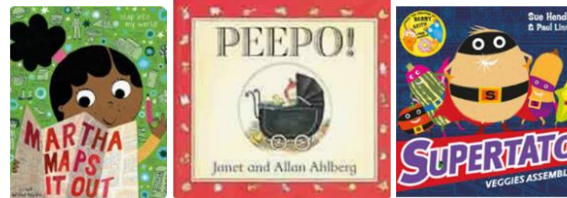

- We will be counting everything!
- Learn and sing counting songs.
- Understand that when we count, the final number we say gives us the total of the set.
- We will be looking at the numbers up to 4 and understanding how they are made.
- Comparing amounts and say "more than" and "fewer than".
- We will start to know the total in a group of objects just by looking (subitising).

### Physical Development

- We will explore ourselves, our bodies and what we need to be healthy and safe
- Experiment with different ways of moving
- Practising getting change for PE.

### Books we are reading this term:

### Topic Vocabulary:

Friendship, kindness, sharing, happy, sad, excited, bodies, face, harvest, fruit, homes, restaurant, farmer. Police, firefighters, leaves, autumn, conkers, family, teachers,

### Expressive Art and Design

- We will create portraits of ourselves
- Make Christmas cards for the Christmas projects.
- Learn Harvest songs
- Make Scarecrow biscuits
- Use colour and pattern to make Elmer.

### Understanding the World

- We will share with each other our likes.
- Look at parts of our face and body
- Talk about how to clean teeth and healthy eating
- Look at our family and appreciate all families are different
- Exploring our new classroom, our school and our town Royal Wootton Bassett.
- Look at people who have helpful jobs.
- We will learn to find things on a map.
- We will learn our school's history.

### Personal, Social and Emotional Development

- Finding out about ourselves and our new class friends
- Learn our school values, especially "Being Kind".
- Looking at things we are good at and why we are special
- Listen to Christian and Sikh stories of kindness.

### Things to do at home

- Keep practising getting dressed and undressed to help with PE sessions.
- Practise Phase 2 sounds and read books in book bags.
- Dress up as a Victorian 10<sup>th</sup> October.
- Log onto Doodle Maths.
