Dear Parents/Carers

After a successful trial in school, we're pleased to let you know that we're now using DoodleSpell with our Year 1 & 2 children. This has been funded by the money your children have raised by completing the sponsored spell.

## A little bit about Doodle

Doodle builds confidence and ability in spelling by creating every child a personalised work programme tailored to their strengths and weaknesses. Using Doodle for just 10 minutes a day is proven to help children make three months of progress in just one month!

## How to get started

1. Watch this video with your child/ren:

<https://videos.doodlelearning.com/watch/YQXm6ax3vhFeBHPp7H89SG?>

2. Download the [DoodleSpell app](#) onto an Apple, Android or Amazon device. You can also log in by visiting [students.doodlelearning.com/spell](https://students.doodlelearning.com/spell) on a laptop or desktop. Follow the instructions in the video above to log in.

3. Your child's username and password are the same as their DoodleMaths login. Please do not create a new account.

## Support for parents and carers

Link your email address to your child's account by logging in, tapping on the menu arrow in the top left-hand corner and selecting Settings and then selecting Parent details.

Once you've connected your account, you'll then be able to view your child's progress by visiting [parents.doodlelearning.com](https://parents.doodlelearning.com) or downloading the free DoodleConnect app on Apple and Android devices.

Happy Doodling!
