ECO COUNCIL UPDATE

Our new Eco Council have already attended several meetings and been thinking of new ways in which we can help our environment and have chosen to focus upon Marine, Litter and Bio-diversity (big nature) this year. They shared these with the school in assembly on Wednesday.

In particular they wanted to go on litter picks, make bird feeders and improve our wild flower area on the bank outside the year 1 classroom.

Congratulations to our elected eco councillors for 2023- 24
