Vacancies on the School Governing Body

The governing body of the school is made up of representatives from our parents and staff along with people from the local community who bring valuable skills and experience in a range of areas. These co-opted governors are appointed based on the experience which they can bring to the school and to ensure we have the right balance of skills within the overall governing body.

We currently have some vacancies to serve as co-opted governors and we would like to hear from parents, grandparents, friends, colleagues or anyone else from the local community who would like to volunteer to serve as a governor and help us continue to develop the school.

Governors do not run the school day to day, as their role is at the strategic or policy-making level in the school. You do not have to be an expert on education to be a school governor, your role would be to use your skills and experience and apply your own perspective to the running of the governing body. If you join our governing body, you will serve for a four-year term.

At this current time, we would really benefit from additional experience in the following areas in order to continue to progress our strategic priorities:

- Strategy Development & Strategic Planning,
- Human Resource Management
- Facilities management / Health and Safety

Being a governor does take up time. There are up to six full governing body meetings each year, and governors usually serve on a committee which meet once per half-term. You will need to set aside time to be able to be an effective governor: time to prepare for meetings, for visiting the school, undertaking training and updating records. However, being a governor is incredibly rewarding as you can make a real impact in ensuring our school remains a safe and fun environment for our pupils.

If you – or anyone you know – is interested in becoming a governor, please complete the form below and return to the school office via email – clerk@woottonbassett-inf.wilts.sch.uk. We will contact you over the summer to discuss in more detail and you will then have the opportunity to decide if you want to go forward for nomination. Completing the form does not commit you to anything at this stage!

You do not have to have a child at the school or have any connection with the school to put yourself forward, in fact we would like people who can bring an independent view and make an enthusiastic contribution to the school using their skills and experience.

If you'd like to find out more about what being a governor at this school is like, you can contact our Chair of Governors Marcus Farr (mfarr@woottonbassett-inf.wilts.sch.uk) who will be very willing to answer any initial questions.

Yours sincerely

Marcus Farr
