Vacancies on the School Governing Body

The governing body of the school is made up of representatives from our parents and staff along with people from the local community who bring valuable skills and experience in a range of areas. These co-opted governors are appointed based on the experience which they can bring to the school and to ensure we have the right balance of skills within the overall governing body.

We currently have vacancies on our governing board to serve as co-opted governors and we would like to hear from parents, grand-parents, friends, colleagues or anyone else from the local community who would like to volunteer to serve as a governor and help us continue to develop the school.

Governors are not involved in the day to day running of the school, as our role is at the strategic and policy-making level in the school. You do not have to be an expert on education to be a school governor, your role would be to use your skills, experience and insight to support the continued success of the school.

Although not a requirement for the role, we are particularly looking for people who could strengthen our board with skills in:

- Strategy Development & Strategic Planning,
- Human Resource Management
- Facilities management / Health and Safety

Being a governor does take up time. There are six full governing body meetings each year, usually held in the evenings and you will need to set aside time to prepare for meetings, to visit the school and undertake relevant training. However, being a governor is incredibly rewarding as your input will help the school continue to improve and our children get the best possible education.

If you – or anyone you know – is interested in becoming a governor, please complete the form below and return to the school office via email – clerk@woottonbassett-inf.wilts.sch.uk. We will then contact you to discuss the role in more detail, so you can decide if you want to be put forward for nomination. Completing the form does not commit you to anything at this stage!

You do not have to have a child at the school or have any connection with the school to put yourself forward, in fact we would like people who can bring an independent view and make a positive contribution to the school using their skills and experience.

If you'd like to find out more about what being a governor at this school is like, please don't hesitate to contact me (mmcdermitt@woottonbassett-inf.wilts.sch.uk) as I am very willing to answer any questions you may have.

Yours sincerely
