The aim of our home school agreement is to commit teachers, parents, guardians and children to achieving their very best at our school.

This policy has been reviewed through the lens of affordability ensuring that the principles of an Affordable School are active and have a positive impact on reducing poverty related stigma.

The school agrees to:

- Encourage each child to do their very best always
- Encourage children to take care of others around them and their surroundings
- Aim for high standards of work and behaviour through building safe and positive relationships with staff and children
- Meet the individual needs of each child while providing a balanced curriculum
- Let parents know if there is a concern or problem affecting their child's work/behaviour
- Make learning fun.

The parents/guardians agree to:

- Ensure children attend school regularly and punctually
- Support school policies including the code of conduct*
- Work in partnership with school staff through demonstrating positive behaviour
- Take an active interest in their own child's progress, attend parent evenings and be actively engaged in supporting their reading by following the reading charter.
- Keep school informed of important matters that might affect their child's work/behaviour.

The children promise to:

- Follow the school rules
- Treat others with respect and kindness
- Try our very best
- Tell our parents/carers and my teacher about my worries
- Be proud of our school and of our achievements.

* Please refer to the code of conduct which can be found within Part 1 - An Introduction to our School and on the Wootton Bassett Infants' School website.
