Monday, 13 September 2021

Dear Parent/Carer

Wootton Bassett Infants School is committed to keeping children safe and to promoting the safe, responsible use of technology. As such, we feel it is our responsibility to make you aware of the following.

Some children have been discussing video games, films or social media that they have access to and use at home. Some of the games mentioned have UK age ratings of 13 – 18+ and as a result are not appropriate for your children.

Ratings are used to inform the content the games contain and whether they are suitable for a certain age group. Certain games may include violence or explicit sexual activity and it is important that care is taken to avoid exposure to such games.

Please take some time to read the information on our website, especially the “Keeping Children Safe Online” and help us keep your children safe.
