Spring 2026

Dear Parents,

Happy New Year! We hope you all had a relaxing and enjoyable Christmas holiday.

This term our topic will be 'Out of this World'. We will explore the fascinating world beyond Earth, including planets, stars, the Moon, the Sun, and other objects in our solar system and universe.

Our focus in Science will be 'Materials'. We shall be identifying and comparing a variety of everyday materials and investigating their properties and uses.

Our homework in KS1 will continue to be reading, spelling and Key Instant Recall Facts (KIRFs). As you know our challenge is for your child to read 5 times a week at home. Reading record books will be collected in weekly and children will be rewarded with a raffle ticket when they have read 5 or more times in a week. Please also continue to support your child with their spelling practice. We will continue to collect in spelling books on Thursdays and return them with new spellings on Fridays.

Remember that your child has access to Doodlemaths and Purple Mash which will support their learning too.

We hope you have an enjoyable term, if you have any questions, as always, please come and ask.

Yours sincerely,

KS1 Teachers
