Tuesday, 6th May 2025

Dear Parent/Carers

Welcome back to school. We hope you had a brilliant Easter.

This term our topic is Around the World. During the topic we will be visiting different countries of the world and learning about their festivals, food, climate, customs, and stories. This topic will include lots of map work using atlases, globes, and searching the web. We will be travelling to London, China, Ghana and many more!

In science we are learning about plants and seeds. We will be planting seeds and investigating what plants need to grow well.

We will continue to develop number skills and apply them in problem solving scenarios.

In history we will be learning about the Great Fire of London and the story of Nellie Bly who travelled around the World in 72 days.

We would like to thank you all for your continued support and we look forward to a fantastic summer term.

Miss Pearce, Mrs Hughes, Mrs Tebbitt
