March 2024

Dear Parent/Carer,

Due to the success of our community litter pick at the canal on Sunday we have decided to loan out the litter picking equipment to families over the weekends. The children have shown such great enthusiasm in helping to keep their local environment litter free so we would like to help foster this positive attitude.

Litter pickers, children's gardening gloves, high visibility vests and bag holders can be borrowed from the school. We just ask you to provide your own bags and dispose of or recycle the rubbish you collect.

If you would like to borrow the litter picking equipment, please email the office with how many of each item you would like to borrow and the date. We can then arrange the equipment for you to collect. Please return the equipment in a clean state ready for the next person to borrow (the gloves and vests can be washed on a low temperature).

We continue to be proud of our Eco-Schools Green Flag accreditation and feel that this opportunity will encourage our young children to think about the local environment and for them to take pride in where they live.

Mrs Smith, Eco-Coordinator
