Dear Parent/Carer

The school currently provides milk to children up to the age of 5 through a company called Cool Milk. All the reception children have been registered with Cool Milk and will receive milk until their 5<sup>th</sup> birthday. If you would like your child to continue to receive milk after their fifth birthday you can register your child for subsidised milk by visiting [www.coolmilk.com/register](http://www.coolmilk.com/register). You will need to register your child by a Tuesday at 5.00 pm for your child's milk to start the following week.

Having school milk is obviously optional and not all the children take up this offer.

Cool Milk offers a variety of different payment options; simply choose the amount you wish to pay via your online Cool Milk account, by automated telephone service or at a local Paypoint facility. Should you have any queries please contact Cool Milk on 0844 854 2913.

Yours sincerely,
