Dear Parent/Carer,

We have been made aware of the following information regarding a set of children's books. The books involved are the series Spy Dogs/Pups and Spy Cat books written by Andrew Cope.

These books contain a link to a website which contains highly pornographic content. The book asks children to explore the website to find more about the characters in the book. It appears the website identified (on the back or inside page) has now been compromised and takes users to a pornographic website with no age verification.

We have checked our library and book corners and can confirm we have removed these books from school. We are advising parents to check if these are present in your home and remove them from your children's access.

Yours Sincerely,

Alison Pass  
Headteacher
