# Number Day 2022

28<sup>th</sup> January 2022

Dear Parents and carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4 February 2022**.

## Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

### Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We are having a fun day of maths activities with a non-uniform day. Your child could wear an item of clothing with a number on it (football shirt, cap, netball shirt etc) or just not wear school uniform, to help us raise money for the NSPCC.

### Safe fundraising

Please send in a small donation into school to support the NSPCC's work if you are able to do so. Thank you.

### It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Wootton Bassett Infants' School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,  
Mrs Anderton Maths Subject Leader
