Keeping Your Child Safe Online

For many of us, we see our online lives and offline lives as different, but children are growing up with technology and the internet so for them there isn't a difference; online life and offline life is just life. The most important thing you can do is talk to your children about what they do online and how they can stay safe.

Popular apps and games to be aware of

Listen out for...

Videos that sounds inappropriate

'Challenges' that are potentially dangerous

Strangers they've made contact with through TikTok

Content about eating disorders, self-harm and bullying

Things that don't sound true, or fake news.

'Griefing' where someone intentionally ruins the game for other users

Contact with strangers

'Griefing' where someone intentionally ruins the game for other users

Contact with strangers

Spending lots of 'V-Bucks' which means spending lots of real

Inappropriate content they've seen

Contact with strangers
