Friday 19<sup>th</sup> December 2025

Dear Parents,

Every term our children take part in an afternoon outdoor learning session. Every class has one session per term and is run by Mrs Clark alongside the class teacher and TA's. These sessions complement our existing outdoor learning that takes place across the school. The sessions have a practical and physical focus including outdoor yoga, looking at change and managing risks in the environment and an outdoor nature activity.

Please check the weather ahead of your child's session and dress them appropriately, especially footwear, this can be trainers or wellies. Children can keep a pair of wellies in school for this. Children can attend school that day in their outdoor appropriate clothing.

Below is a timetable of when each session will take place for each class.

| Date                         | Class                               |
