Dear Parents,

Starting this term, we are excited to be able to offer a termly outdoor afternoon learning session for each class with one of our teaching assistants, Mrs Clark and class teachers. These sessions will complement our existing outdoor learning that takes place across the school. The sessions will have a practical and physical focus including outdoor yoga, looking at change and managing risks in the environment and an outdoor nature activity.

Below is a timetable of when each session will take place for each class. Please ensure that your child is dressed suitably for their session including appropriate footwear, this can be trainers or wellies. A pair of named wellies can be kept in school for outdoor learning if you wish. Children can attend school that day in their outdoor appropriate clothing.
