

PARKING NOTICE- RWB Infants school

08/10/2025

Dear Parents/Guardians,

We are writing to remind you of the importance of parking sensibly, with consideration to the residents as well as both the safety of other road users and pedestrians.

We ask that when parking your vehicle, you make sure that you are not obstructing driveways of local residents, using private residents parking areas, causing obstructions to other road users or parking dangerously. This includes parking on double yellow lines, Zig Zag lines and parking within 10m of a junction.

Dangerous parking can cause road traffic collisions, put pedestrians in danger and obstruct emergency vehicles.

Whilst we understand that parking is very limited, we will be taking action with anyone who fails to show consideration and continues to park illegally. This will include issuing tickets for wilful obstruction, unnecessary obstruction and leaving vehicles in a dangerous position. These penalties carry fines and can also result in points on your driving license.

We hope that there will be no need to issue tickets and that parking will be done safely and considerately in the future.

Thank you,

The Royal Wootton Bassett Neighbourhoods Policing Team
