The curriculum changes all the time along with the methods we use in school. We provide these workshops as a chance to show you what these methods are and how they are taught. You can then use this information to support your child at home and develop their skills further whilst establishing a school/home link.

We will cover:

- What is Phonics?
- Words we use—Terminology
- Our school approach
- Phonics in our classrooms
- Year 1 Phonics Check
