Dear Parents/Carer

Following the recent results from the Parental Engagement survey, we have made the decision to hold our next parent's workshop, **'Phonics'**, both in person and online via Google Classroom on Thursday 3rd February at 6pm

Following feedback from the survey, we have acknowledged that the times of our workshops were tricky for many parents, therefore we are holding this workshop in the evening.

Please see the Workshop Flyer for more information.

How to join the Parents Workshop via Google Classroom

All children have been set up with a username and password for our school domain (wbinfants.co.uk).

Their username will be: firstname.lastname@wbinfants.co.uk. Any hyphens have been removed so if your child has a hyphenated first or last name then this will become one name e.g. smith-jones will become smithjones. The children's full names have also been used, e.g. if Oliver gets shortened to Ollie, then their username will be oliver.smith@wbinfants.co.uk

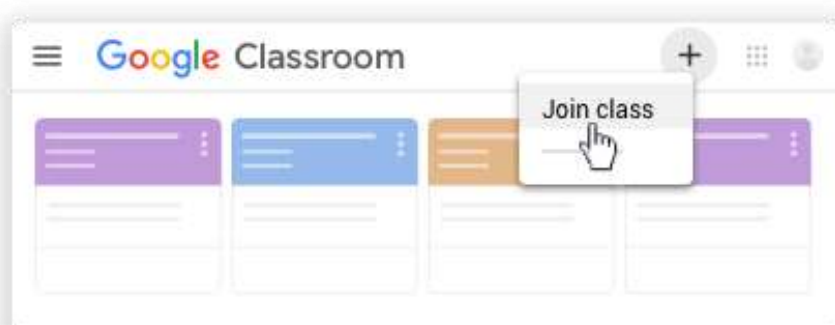

All passwords are the same for all children and has been text to you, please change this to something memorable when you first login.

Join a class with a code (this will be sent as a text)

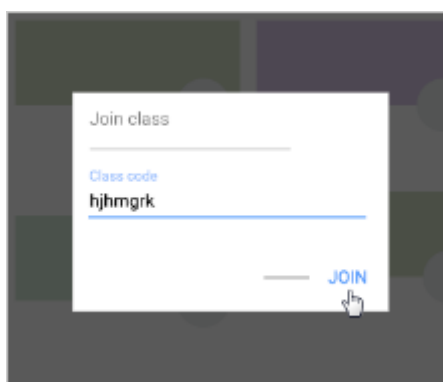

1. Go to classroom.google.com and click Sign In.

Sign in with your child's Google Account. For example, fred.smith@wbinfants.co.uk. [Learn more.](#)

2. At the top, click Add   Join class.

3. Enter the class code text to you and click Join.
A class code consists of 6 or 7 letters or numbers. For example, hjhmgrrk or g5gdp1

Class	Code
Parent Workshops	(Please check your text)

If you have any queries, please speak to the school office who will either direct your query to Miss Pearce (Computer Lead) or Miss Noyes (Phonic Lead).

We look forward to seeing you all either in person or online.
