

Communication and Language/ Literacy

We will:

- * Listen for familiar sounds on a sound walk.
- * Sing rhymes and familiar songs.
- * Listen to rhyming words and identify rhyme.
- * Make our names with magnetic letters.
- * Trace our names.
- * Talk about our summer photos to our friends.
- * Begin to learn Phase 2 phonics sounds.
- * Learn the parts of a book- front cover, back cover, title.
- * Practice telling stories from pictures.
- * Sequencing stories we know well.
- * Draw characters in a story and write the initial sounds

Mathematics

We will:

- * Learn and sing counting songs.
- * Count objects, people and sounds.
- * Describe how numbers to 4 are made.
- * Comparing amounts and say "more than" and "fewer than".
- * Start to recognise the total in a group of objects just by looking (subitising).
- * Learn about 2D shapes- circle, square, rectangle, triangle.
- * Compare and talk about heights using words such as taller, shorter, tallest, shortest
- * Compare and talk about size using little, medium, big.

Physical Development

We will:

- * Explore ourselves, our bodies and what we need to be healthy and safe
- * Experiment with different ways of moving.
- * Practise getting changed for PE.

Marvellous Me

Books we are reading this term:

Words we will use this term:

Visual timetable, assembly, portrait, forehead, decay, plaque, siblings, parents, baptism, harvest, foodbank, donation, map, direction, senses, taste, ginger,

Things to do at home

- * Try to ensure your child gets plenty of rest and 'down time' starting school and learning new routines can be exhausting!
- * Play some phase 1 phonics games.
- * Share reading books at home daily.
- * Keep practising getting dressed.
- * Log onto Doodle Maths.

Understanding the World

We will:

- * Look at parts of our face and body.
- * Talk about how to keep our teeth clean and healthy.
- * Look at our family and appreciate all families are different.
- * Learn about the difference between healthy and unhealthy food.
- * Learn about the festival of harvest and celebrate in the church.
- * Talk about how we grow and change.
- * Use a map to explore our school grounds. * Explore and learn about our 5 senses.

Expressive Art and Design

We will:

- * Paint portraits of ourselves.
- * Make a class scarecrow for the trail!
- * Sing Harvest songs.
- * Make a toothbrush craft.
- * Draw a picture of our family.
- * Make Christmas cards for the Christmas projects.
- * Make biscuits

Personal, Social and Emotional Development and RE

We will:

- * Learn new routines.
- * learn how to be a good friend.
- * Explore different emotions and feelings through the story the colour monster.
- * Learn our school values, especially "Being Kind".
- * Learn about stories of kindness, the festival of harvest and the celebration of a baptism.
