

Communication and Language/ Literacy

- We will begin to learn Phase 2 phonics sounds
- Sing rhymes and familiar songs.
- Tracing names and recognising the letters in our name.
- Mark make with a range of materials-
chalks, paint, sand, crayons
- Develop our confidence to share our ideas and thoughts with others in the class
- We will be having whole class listening sessions where we will practise the skills we need to be a good listener
- Sequencing stories we know well
- Describing how feels look, feel and taste.

Mathematics

- We will be looking at the numbers from 0-5 and understanding their value
- Practising our counting and singing counting songs.
- Comparing amounts to see what is less and what is more.
- We will also begin to explore 2D shapes and looking for shapes in our environment.
- We will measure length to compare the size of different objects.

Physical Development

- We will explore ourselves, our bodies and what we need to be healthy and safe
- Experiment with different ways of moving
- Practising getting change for PE.
- Practising our ball skills such as throwing, catching and bouncing.

What Makes Me Amazing!

Books we are reading this term:

Personal, Social and Emotional Development

- Finding out about ourselves and our new class friends
- Learn the Golden Rules and our school values, especially being kind.
- Looking at things we are good at and why we are special
- Understanding why Jesus is special to Christians.

Understanding the World

- We will share with each other our likes
- We will talk about our senses
- Look at parts of our face and body
- Talk about how to clean teeth and healthy eating
- Look at how we have changed since being a baby.
- Exploring our new classroom and our school.
- Understanding Harvest
- Looking at the Caribbean and Floella Benjamin for Diversity week.

Expressive Art and Design

- Creating portraits and art about ourselves
- Making Christmas cards for the Christmas projects.
- Learning Harvest songs
- Making Gingerbread Men
- Creating art with natural materials.
- Making parrots using painting and collage.

Things to do at home

- Find and bring in a named baby photo of yourself.
- Keep practising getting dressed and undress to help with PE sessions.
- Practise Phase 2 sounds and read books in book bags.
