Headteacher: Mrs Alison Pass

24/06/2026

Dear Parents/ Carers,

Upon reviewing our risk assessment due to the extreme weather conditions, we have made the very difficult decision to close the school to all pupils tomorrow (Thursday 25<sup>th</sup> June).

With tomorrow's temperatures predicted to reach their peak we are finding it increasingly difficult to keep the classrooms at a safe temperature.

If you need suggestions to help keep the children occupied during this time, these are our school home learning platforms:

- Doodle Spell (KS1 only)
- Doodle Maths
- Letterjoin
- PurpleMash

Or KS1 could practice their lines for Wind in the Willows.

We aim to return to normal on Friday when the temperatures are predicted to drop and any updates will be shared via text.

Apologies for any inconvenience, but as always, the safety and wellbeing of all our children and staff is our highest priority.

For guidance on how to stay safe please visit: <https://www.gov.uk/guidance/beat-the-heat-advice-for-hot-weather>

Thank you for your continued support.

Yours sincerely,

Alison Pass

Headteacher
