

Wootton Bassett Infants' School

Attendance Policy

Approved Date: September 2022

Review Date: September 2023

Rationale

At Wootton Bassett Infants' School we understand that regular school attendance is the key to enabling children and young people to maximise the educational opportunities available to them and become emotionally resilient, confident adults who are able to realise their full potential and make a positive contribution to their community. School is the foundation for preparing children and young people for life as adults.

We are committed to providing an education of the highest quality for all our pupils and endeavour to provide an environment where all pupils feel valued and welcome.

For our children to gain the greatest benefit from their education it is vital that they attend school regularly and punctually. Parents and the school community share the responsibility for supporting and promoting excellent school attendance and punctuality for all.

This policy represents our commitment to support pupils to achieve 100% attendance. It sets out the principles, procedures and practice the school will undertake. Strategies to improve attendance and rewards and benefits of good attendance. The sanctions and possible legal consequences of poor attendance and punctuality are also detailed. This policy will be reviewed, amended as necessary and published annually in accordance with current legislation and guidance.

Aims of the Attendance Policy

- Ensure that children and young people make the best use of their educational opportunities by attending regularly, punctually and in a state of readiness for learning
- Emphasise a commitment to promoting excellent attendance and punctuality
- Establish a consistent framework to improve attendance for all pupils
- Ensure that everyone within the school community understand the issues and procedures for attendance
- Fulfil the statutory duties in relation to school attendance
- To encourage, recognise and reward good attendance
- To make use of school resources and/or external agencies to help manage any issues surrounding non-attendance. Such support could be from SENCo, ELSA, CAMHS, Educational Psychologist, EWO etc
- For attendance of every child to be between 95 - 100%
- To ensure any phased transitions are well managed with the aim for full time education to be provided at the earliest time. Where this is not possible, for the school to work with external agencies to ensure the child is being supported in the most effective way.

We believe that the foundation for good attendance is based on a strong partnership between school, parents, and the child. This includes clear communication with parents and pupils regarding our expectations of what is required to secure excellent attendance for pupils at our school.

At Wootton Bassett Infants' School we will:

- Provide regular information about attendance through regular communications through newsletters/website
- Include attendance information in reports about your child's performance in school and how any absence may be affecting their attainment
- Work with you and your child to achieve maximum attendance

At Wootton Bassett Infants' School we expect:

- Pupils to arrive at school every day on time
- Parents to work with the school to ensure that their child attends regularly

Attendance: The Legal Framework - roles and responsibilities

Under section 7 of the Education Act 1996, parents must ensure their children are educated. For most parents/carers this means registering their child at a school and ensuring their regular attendance. Failure to do so can result in the issue of a Penalty Notice or being prosecuted.

By law schools are required:

- To take an attendance register twice a day: at the start of the morning session and once during the afternoon
- To report to the LA pupils who fail to attend regularly or who are absent for ten consecutive school days or more without known reason
- By law the attendance register must show for every session, whether a pupil is present, absent, attending approved educational activity or unable to attend due to exceptional circumstances.

DfE Guidance says that schools must have a policy on how long registers should be kept open; best practice is that this should be for a reasonable length of time but not that registers are to be kept open for the whole session.

An authorised absence is where the school has given approval in advance for a pupil of compulsory school age to be away or has accepted an explanation offered afterwards as a satisfactory justification for the absence. All other absences are unauthorised.

Reference to the guidance contained in the [LA ATTENDANCE POLICY \(woottonbassett-inf.wilts.sch.uk\)](http://woottonbassett-inf.wilts.sch.uk) and the responsibility of the Education Welfare Service in discharging the statutory duties of the Local Authority in respect of non-attendance at school.

The law says that ensuring a child receives education is a parent/carer's legal responsibility Section 444 of the 1996 Education Act. For most parents this means registering their child at a school. Permitting absence from school that is not authorised by the school creates an offence in law and

Parents/carers who do not secure their child's regular attendance at school may be issued with a Penalty Notice or referred to the Wiltshire Education Welfare Service for prosecution in the magistrates' court.

To avoid this happening, we will work with parents and carers to address irregular or poor attendance to ensure full-time attendance.

Authorised absences are those that have been agreed by the headteacher.

Unauthorised absences are those where no valid reason has been provided for absence or those absences which the headteacher has not agreed.

Partnership Working - roles and responsibilities

Parents

Do you know these facts about absence and attendance?

Research suggests that a pupil who misses 17 days of school a year will drop 1 GCSE grade in attainment. (DfE)

95% equates to half a day off every two weeks in a school year

90% equates to a day off every two weeks in a school year

85% equates to one and a half days off every two weeks in a school year

80% equates to one whole day off every week in a school year

A secondary age pupil whose attendance is 80% will have missed ONE WHOLE YEAR of education by the time they leave school

"Better attendance at school by pupils improves their educational achievements and, in turn, their lives and prospects. Even a small reduction in absence would result in many pupils receiving greater benefit from their education." The National Audit Office.

At Wootton Bassett Infants' School attendance is the business of everyone in our school community.

The governors and all staff are committed to supporting all pupils to achieve excellent attendance and regularly review school procedures and strategies to support this.

We expect that parents and carers will work with us if school absence becomes a concern. Parents and carers can help to promote positive attendance by:

- Ensuring children arrive at school on time, before registers close, appropriately dressed and in a 'condition to learn' (ie not too tired or too hungry) and with the right equipment for the day
- Working in partnership with us to help their child(ren) gain an appreciation of the importance of attending school regularly
- Working in partnership with us to take an active interest in their child's education
- Working in partnership with us and other agencies (as appropriate) to resolve problems relating to non-attendance or which may have a negative impact on their child's attendance

Procedures

This section should contain the procedures that are used to identify and follow up all absence together with clear channels for communicating these to staff, pupils and parents/carers. It is very important that all staff adhere to a consistent approach in dealing with absence and lateness, including supply teaching staff.

In-school procedures may include:

- Clear systems for accurate registration
- Identified period for the register to remain open (up to 30 minutes but can be shorter)
- Scheduled and unscheduled spot checks of registers outside of statutory requirements
- Agreed criteria and consistent approach to lateness
- Consistent use of register codes which are known to all staff (including supply staff)
- Identification of absence: how, by whom, how often
- The range of in-school strategies for dealing with pupil absence including post registration truancy and broken weeks
- Procedures for re-integration following long-term absence including catch up of missed work
- Procedures for involvement of the Education Welfare Service

Home-school procedures might include:

- First day of absence contact by the school to the parent/carer
- Expectation of first day contact by the parent/carer to the school by phone, in person or in writing which gives the reason for and expected length of absence
- Follow up written note which gives explanation for pupil absence
- Home/school agreement through Parenting Contract (voluntary) which includes reference to regular and punctual attendance and expectations of the parent/carer and the school

- Expectations with regard to medical or dental appointments taken out of school hours where possible
- Procedures for requesting pupil leave of absence for family holidays during term time -
- Parent/carer informing the school of circumstances which are or may affect their child's attendance at school

Our school attendance target is: 98%.

This means that we are expecting each pupil to have 100% attendance. Pupils who miss just 3 days of school in a school year will contribute to the school not achieving the attendance target set by the governing board.

Legally the school register must be taken twice a day.

At Wootton Bassett Infants' School the register is taken between 9am and 9.10am (morning registration time) and once during the afternoon session at 1pm. The registers will remain open for 30 minutes. Pupils arriving before registers close will be marked as late (L). Pupils arriving after the registers have closed will be coded U (Late after registers close) which counts as an unauthorised absence for the whole session.

Absence is recorded as unauthorised until a satisfactory reason is provided. If the reason given is not satisfactory and/or evidence of the reason cannot be provided, the absence will be coded as unauthorised absent. Ongoing and repeated lateness after the close of registration is considered as unauthorised absence and may be taken into account if any legal action is taken.

We will contact parents to address and improve attendance where:

A pupil's attendance falls below **95%**,

A pupil has more than 3 weeks where they haven't achieved full attendance in a term (In Wiltshire there are 6 terms in an academic year)

A pupil has more than 4 recorded lates in a term

A pupil has a regular pattern of absence

Parents are asked to:

- Notify the school when their child is unable to attend, with a reason, on the first and subsequent days of absence. Parents should make contact with school before the start of the school day. Please phone the school office on 01793 852254 or email admin@woottonbassett-inf.wilts.sch.uk with reasons for absence.
- Keep the school informed, in cases of ongoing absence. A note from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence will always remain with the school

- Arrange medical or dental appointments outside of school hours unless there is urgent need for an appointment.
- Tell the school if their child is going to be late, the reason why and expected time of arrival.
- Only request leave of absence/holiday in term time if it is for an exceptional circumstance. The process for requesting leave of absence is explained further in this policy.

Examples of types of absence that are not considered reasonable and which will not be authorised under any circumstances are:

- Going shopping with parents
- Birthdays
- Minding other younger children in the family
- Staying at home because other members in the family are unwell unless not doing so will breach guidance and legislation relating to COVID-19 (Coronavirus)
- Day trips and holidays in term time unless there are exceptional circumstances that have been approved by the Head Teacher
- Arriving at school too late to get a present mark (After the close of registration)
- Truancy
- Death of a pet

We will contact the parent/carer if a child is absent, and the parent/carer has not advised that the child will not be in school. Parents can expect contact on every occasion of an un-notified absence. The attendance manager will initially phone parents within 30 minutes of registers closing. If we cannot speak directly with parents/carers then we will make contact with nominated contacts to establish the reason for absence; this is in line with school safeguarding procedures.

If after 3 days of absence, your child has not been seen and no contact has been made with the school, a home visit will be made by school staff, to ascertain the safety and well-being of your child and establish the reason for absence from school.

After 10 days of unexplained absence and no contact with the school, we are obliged to notify the local authority. The local authority will follow their procedures for Children Missing from Education (CME) and parents may expect contact and visits from an Education Welfare Officer to ascertain the well-being and safety of your child.

Collecting your child from school

We ask that all parents/carers ensure that they are able to collect their children from school on time. School finishes at 3pm.

If parents are unable to collect their child as usual, then they will need to communicate the alternative arrangements they have made with the school.

We will not release children in these circumstances to anyone who we have not been advised of.

Protocol for schools when a child has not been collected as expected by parents/carers at the end of the school day.

This protocol will be brought to the attention of parents, in writing, when their child first starts at the school. The protocol is also referred to in the school's child protection policy.

Parents must provide the school with a record of their contact details:

- Name/s
- Address/es
- Telephone numbers - mobile, home, work
- Where possible, parents should also provide the school with the contact details of three or more other relatives/carers who can be called when the parent/carer cannot be contacted or in the event of an emergency.

The school aims to keep this record up to date by reminding parents in newsletters and at parent consultation evenings of the need to notify the school of any changes.

School staff will not ever take a child home with them but will care for a child who has not been collected until:

- he/she is reunited with a parent or other nominated responsible adult,
or
- advice is sought from MASH/the Emergency Duty Service re next steps.

School procedure

If a child is not collected by a parent or carer, this will be brought to the attention of the Headteacher or Designated Safeguarding Lead (DSL):

- The DSL will make sure every effort is made to contact the parent or carer or named alternative carer as per the child's school records for up to 30 minutes from the end of the school day. This might include speaking to known friends or neighbours of the parents where appropriate.
- If no contact is made, the DSL will arrange for staff to either visit or drive a child to his/her home address (within one hour of the end of the school day), depending on child's individual needs and circumstances. The DSL will ensure the child has adequate supervision at all times (whether in a car or waiting at the school).

This visit/transport will happen in all but very exceptional circumstances, particular to an individual family eg previous incidents of aggression towards staff, anticipated travel time to the child's home of over 1 hour.

When the above procedure has been followed and the child has still not been reunited with a parent or carer, staff will escort the child back to the school:

- If the child is known to children's social care, the DSL will contact the child's allocated social worker or the Emergency Duty Service (EDS) if it is out of normal office hours.

- If the child is not known to social care, the DSL will consult with MASH or the EDS for advice.
- The school will provide MASH/EDS with the following information about:

The child:

- Name(s), date of birth and address
- Gender, ethnicity, religion, language spoken
- Any additional needs - dietary, SEN, behavioural difficulties, medical
- Any current or previous child protection concerns
- Any previous significant or pattern of incidents of not being collected from school

The parent (and alternative carers):

- Name/s
- Address/es
- Telephone numbers - mobile, home, work

The DSL will record and review any incident when a child is not picked up by parents or picked up late (when no reasonable explanation is given) as part of the school safeguarding and child protection processes.

Social Care/ Police procedure

EDS or MASH will advise the DSL of the next steps. This may include carrying out appropriate checks with partner agencies such as the Police and make further attempts to contact the parent/carer.

If a member of staff thinks a child is at risk of significant harm, is injured, or abandoned, they will contact

- the Multi-Agency Safeguarding Hub (MASH) on **0300 4560108**
 - 8.45am-5pm, Monday-Thursday and
 - 8.45am-4pm Friday
 - out of hours Emergency Duty Service (EDS) on **0845 6070 888**
- or
- if there is immediate danger, phone the police or emergency services on **999**.

Monitoring attendance

Weekly monitoring of the registers will be made by the school office, to analyse overall absence for each pupil and identify pupils with low attendance, a pattern of absences that may lead to Persistent Absence (PA), Severe Absence (SA) patterns and levels of broken weeks, lateness, authorised absence and unauthorised absence and reasons for absence.

A pupil is classed as a persistent absentee when they miss 10% or more schooling across the school year and as a severe absentee if they miss more than 50% of schooling for whatever reason, whether it be authorised or unauthorised, or a mixture of both. Absence at this level is doing considerable damage to a child's educational prospects and we need parents' full support and encouragement to tackle it. PA and SA pupils are tracked and monitored carefully through our pastoral system, and we combine this with tracking academic progress to assess the effect on the pupil's attainment. Absence for whatever reason disadvantages a pupil by creating gaps in his or her learning. The school office will be responsible for putting in place actions for each pupil of concern. Initially we will try to resolve the problem with parents/carers and this may involve requesting medical evidence in order for the school to authorise any further absence due to ill health and/or an attendance meeting with the Headteacher. We may ask parents to agree to a Parenting Contract which details how we will work together to improve attendance. However, if absence continues the school may make a referral to the Local Authority for interventions that may include penalty notices and court action.

Requesting leave of absence in exceptional circumstances

In accordance with Department for Education guidance, leave of absence from school including for holidays in term-time, may only be authorised in exceptional circumstances.

Parents are required to complete a leave of absence request form which must outline the exceptional circumstances for which the leave has been requested.

Leave of absence request forms must be completed in advance of the dates requested. We require two weeks notice unless the absence is related to an emergency.

We do not give retrospective agreement for leave of absence so any absence not advised to the school in advance will be unauthorised.

Requests will be considered by the headteacher and parents and carers will be advised if their request is agreed.

Any pupil who has taken a term time holiday will be required to provide medical evidence if they are ill in the period directly before or after the dates advised to school.

Parents/carers will be asked to provide evidence if a pupil does not return to school on the agreed date following a holiday as a result of delayed or cancelled flights or other travel arrangements.

Where an unauthorised leave of absence is taken, parents may be issued with a penalty notice. This will be in the sum of £120 per parent/carer for each child but is reduced to £60 per parent/carer for each child if paid within 21 days of issue.

A copy of the request for absence form can be requested from the school office.

Consequences of persistent and severe absence

At Wootton Bassett Infants' School we will always work with you to address any attendance concerns.

If we have been unable to resolve the issue, despite a number of interventions, then we may have to refer you to the local authority.

The Education Welfare Service has a range of actions available which include:

- 1) The parents/carers may be issued with a penalty notice, which carries a fine of £120, per parent, per child. This is reduced to £60 if paid within 21 days of issue. If not paid at all, court action will be initiated.
- 2) The local authority may initiate court action under Section 444 of the Education Act 1996, which could lead to fines of up to £2,500, imposition of orders such as Parenting Orders or even imprisonment.
- 3) In some cases, action may be taken under the Children Act 1989 to protect the welfare and development of the child.

Strategies for improving and maintaining good attendance

At this school we take every opportunity to promote excellent attendance for all pupils. We will celebrate improvements in attendance by sending letters to parents thanking them for their continued efforts.

We are a caring school community where the needs of all pupils are carefully considered. Wootton Bassett Infants' School provides and promotes a welcoming and positive atmosphere so that pupils feel safe and know that their presence is valued.

If there are specific issues which might impact on your child's attendance it is important that you talk to us so that we can support you and your child. You can speak to the school office who will arrange an appointment with the appropriate member of staff by contacting them on 01793 852254 or by emailing admin@woottonbassett-inf.wilts.sch.uk.

There may be times when we ask other agencies to become involved to help us understand and work with you to encourage regular school attendance. (eg Wiltshire Council, school health, Ethnic Minority and Traveller Advisory Service, Medical Needs Reintegration Service) If we feel that this would be helpful we will discuss with you first.

We are very keen to listen to the views of children and parents with regard to attendance matters and we welcome any feedback which helps us to shape how we work with families to address attendance issues.

Monitoring and Evaluation

The attendance policy will be reviewed annually by governors and school staff to ensure that it continues to meet the needs of the school community.

We will ensure that the policy reflects current DfE and Local Authority guidance so that parents may be assured of the standards that we strive to achieve.

Communicating the contents of the Attendance Policy

All new parents are introduced to the policy and information on attendance in the school prospectus. It is also accessible on the school website.

School attendance will feature attendance in the school newsletter and we will advise parents of any changes to policy and procedures.

ATTENDANCE REGISTERS

NATIONAL ABSENCE AND ATTENDANCE CODES

PRESENT Code / \: Present in school / = am \ = pm

Pupils must not be recorded as present if they are not in school during registration. If a pupil were to leave the school premises after registration, they will still be counted as present for statistical purposes.

Code L: Late arrival before the register is closed. Schools should actively discourage late arrival and be alert to patterns of late arrival. All schools are expected to set out in their attendance policy the length of time the register will be open, after which a pupil will be marked as absent. This should be the same for every session and depending on the structure of the school day not longer than either 30 minutes after the session begins, or the length of the form time or first lesson in which registration takes place. A pupil arriving after the register has closed should be recorded as absent using code U, or another absence code that it is more appropriate

AUTHORISED ABSENCE

The national absence codes must be used. Schools cannot add to the list of codes or use their own local codes. In order to be useful to schools in helping them identify patterns of absence, it is essential that there is consistency of use by staff within each school.

Penalty Notice Code of Conduct

Rationale

Regular and punctual attendance of pupils at school is both a legal requirement and essential for pupils to maximise the educational opportunities available to them. Wiltshire Council's Education Welfare Service will investigate cases of irregular attendance from school and, where appropriate, instigate legal action. Penalty Notices offer a means of swift intervention to deal with unauthorised absence to avoid this becoming entrenched.

Under Section 7 of the Education Act 1996, parents are responsible for ensuring that their child of compulsory school age receives efficient, full time education that is suitable to the child's age, aptitude and ability and to any special educational needs the child may have. This may be by regular attendance at school or otherwise.

Parents are defined in Section 576 of the Education Act 1996: all natural parents, whether they are married or not; any person who has parental responsibility for a child; and any person who, although not a natural parent has care of a child. Having care of a child means that a person with whom a child lives and who looks after a child irrespective of what their relationship is with that child, is considered to be a parent in education law.

If a child of compulsory school age who is registered at a school fails to attend regularly at the school then the parent is guilty of an offence under Section 444(1) of the Education Act 1996. It is the commission of this offence that can trigger the use of a penalty notice. If a penalty notice is used by the Local Authority it provides the parent with an opportunity to discharge liability for the offence and avoid court proceedings.

Wiltshire Council may prosecute for offences under Section 444 (1) of the Education Act 1996. Possible defences available include the following:

- The pupil's absence was authorised by the school
- The pupil was ill or prevented from attending by unavoidable cause
- The absence was on a day exclusively set aside for religious observance by the religious body to which the parent belongs
- The school is not within walking distance of the child's home and the LA has made no suitable arrangements
- The parent can show that their trade or business requires them to travel, and the child has attended school as regularly as the nature of the trade or business allows, and the child has attended school for at least 200 sessions during the preceding twelve months

Under Section 103 Education and Inspections Act 2006 a parent of an excluded pupil must ensure that the pupil is not present in a public place at any time during school hours on a day which is one of the first five school days to which the exclusion relates or, where that exclusion is for a fixed period of five days or less, any of the days to which the exclusion relates, and is stated in the notice under section 104 (Education and Inspections Act 2006) to be a day on which Section 103(2) applies. If the excluded pupil is present in a public place at any time during school hours on a school day falling within Section 103(2), the parent commits an offence (section 103(3)). A Penalty Notice may be issued by the Local Authority to offer the parent/s an opportunity to discharge liability for this offence.

Wiltshire council may prosecute for offences under Section 103 Education and Inspections Act 2006. A possible defence is reasonable justification for a parent to fail to comply with their duty under Section 103(2) of the act.

Legislation

The Education (Penalty Notice) (England) Regulations 2007 supports offences under section 444 of the Education Act 1996. Penalty Notices supplement existing sanctions available under Section 444 of the Education Act 1996 or Section 36 of the Children Act 1989 to enforce attendance at school or alternative provision. There is no legal requirement to consider a Penalty Notice before proceeding to a section 444 prosecution.

Section 105 The Education and Inspections Act 2006 allows a penalty notice to be issued in respect of excluded pupils in a public place (as mentioned above).

The Anti-Social Behaviour Act 2003 (section 23) adds two sections (444A and 444B) to the Education Act 1996. These sections introduced penalty notices as an alternative to prosecution and enable parents to discharge potential liability for conviction for that offence by paying a penalty.

If it appears that an offence under section 444(1) of the Education Act 1996 has been committed and none of the defences outlined above apply, then consideration can be given to issuing a penalty notice

Penalty Notices will require the parent of a child of compulsory school age whose attendance has been unsatisfactory to pay a penalty currently £120 if paid within 28 days, reduced to £60 if paid within 21 days as stated in the Education (Penalty Notices) (England) (Amendment) Regulations 2013, statutory instrument No 757. (Figures correct at the time of writing, subject to amendment by further Statutory Instrument)

This Code of Conduct complies with the requirements as set out in Sections 14 - 16 of the Education (Penalty Notices) (England) Regulations 2007

The issuing of Penalty Notices must conform to all requirements of the Human Rights Act 1998 and Equality Act 2010

Procedure

In Wiltshire Penalty Notices will be issued by the Education Welfare Service by first class post. In any case where the Penalty Notice is not paid within the prescribed period and where it is not appropriate to withdraw the Penalty Notice the Education Welfare Service will instigate action through the

Magistrate's Court as required by legislation. Prosecution in such cases will be for the offence to which the Penalty Notice relates.

No parent shall receive more than three separate penalty notices resulting from the unauthorised absence of an individual child in any twelve-month period

Penalty Notices will be issued individually to each parent for each child according to each parent's liability for the offence or offences. An authorised officer has discretion when deciding to issue a penalty notice to one or more parents of a child. The specific circumstances in each individual case will be the determining factor.

The Education Welfare Service will receive requests to issue penalty notices from schools/academies/colleges in Wiltshire, Wiltshire Police and neighbouring Local Authorities. The Education Welfare Service will take forward these requests providing that:

The circumstances of the case meet the criteria for the issue of a penalty notice as specified in this code

All necessary information is provided to the Education Welfare Service in order to establish that an offence, under section 444 (1) of the Education Act 1996 for failure to secure regular attendance or section 103(3) of the Education and Inspections Act 2006 for failure to comply with a duty towards an excluded pupil, has been committed.

The Education Welfare Service will ensure that the issuing of Penalty Notices is closely monitored to make certain that they are not duplicated, not issued where prosecution proceedings for the same offence are being considered and that recipients pay the relevant fine within the time frames specified.

Criteria for the Issuing of a Penalty Notice

Penalty Notices can be issued where a pupil has accrued 10 unauthorised sessions within the six- month period prior to the request being made or evidence of an offence under s.103 (3) Education and Inspections Act 2006 is established.

The issue of a penalty notice will be preceded by having previously issued a formal warning letter to each parent / carer. The letter will:

- Raise concern regarding the level of the unauthorised absence and give advice regarding contact with the school and the Education Welfare Service
- Advise the parent of the powers of the Local Authority to issue penalty notices
- State the number of unauthorised absences accrued which give rise to the formal warning being issued

- Notify the parent that additional unauthorised absence may lead to a penalty notice if no improvement is effected within an agreed period - the standard period shall be fifteen school days except where exceptional circumstances apply e.g. deliberate parentally condoned absence or where a pupil has been located on a truancy sweep / located by the Police during school time and there are additional occurrences of unauthorised absence.

Penalty Notices will not be issued for pupils in the care of the Local Authority. Any attendance concerns will form part of the pupil's Personal Education Plan.

With effect from 22 March 2020 Wiltshire Council will not issue Penalty Notices for unauthorised absence directly related to the Covid-19 pandemic until such time as the Department for Education (DfE) deems appropriate.

Circumstances in which a Penalty Notice will be issued:

If in the view of an Education Welfare Officer the issuance is deemed appropriate in cases where a parent or parents continually fail to provide an explanation or fails to provide a justifiable explanation for a pupil's absence and this is recorded as an unauthorised absence by the proprietor of the school. This could include late arrival after the register has closed which is recorded as an unauthorised absence where these total 10 or more sessions.

For pupils stopped during a truancy sweep or located by Police during school hours where there are found to be additional unauthorised absences totalling 10 or more sessions.

Following a request from a School/College/Academy for intervention where the circumstances appear to have been totally avoidable (e.g. too tired after a late night, a birthday treat, family/friends visiting, shopping) where this is unauthorised and these total 10 or more sessions.

Where a school/college/academy makes a notification for an instance of unauthorised leave of absence (holiday during term time) which totals 10 or more sessions continuous or aggregated within the previous six months and within the current academic year and where the proprietor has not given permission or where permission was not sought prior to the unauthorised leave of absence being taken.

Following notification from a neighbouring Local Authority.

For pupils who are stopped by Police in a public place during the first five school days of an Exclusion, whether for a fixed period or permanent exclusion or, where that exclusion is for a fixed period of five days or less, any of the school days to which the exclusion relates as specified in section 103(2) of the Education and Inspections Act 2006 and is stated in the notice under section 104 to be a day on which the parent is subject to this subsection.

Procedure for withdrawing Penalty Notices

A Penalty Notice may be withdrawn by Wiltshire Local Authority if the Authority determines that:

- It ought not to have been issued
- It ought not to have been issued to the person named as the recipient
- It is materially defective

Where a penalty notice has been withdrawn in accordance with the above a notice of the withdrawal will be issued to the recipient and any amount paid by way of penalty in pursuance of that notice shall be repaid to the person who paid it. No proceedings shall be continued or instituted against the recipient for the offence in connection with which the withdrawn notice was issued or for an offence under section 444 (1A) of the Education Act 1996 arising out of the same circumstances.

A Penalty Notice cannot be withdrawn because of an inability to pay

If a Penalty Notice is not paid in full before the expiry of the period of paying it and Wiltshire Council has neither instigated proceedings for the offence to which the notice relates nor is contemplating such proceedings, then the notice will be withdrawn.

6.5 If a Penalty Notice has been issued for unauthorised absence directly related to the Covid-19 pandemic after 16 March 2020 this will be withdrawn by Wiltshire Council immediately.

6.6 If a Penalty Notice has been issued for unauthorised absence directly related to the Covid-19 pandemic before 16 March 2020 any action relating to this will be suspended until such time as the Department for Education (DfE) deems appropriate.

Appeals

There is no statutory right of appeal against the decision to issue a penalty notice and the sole authority to authorise absence rests with the Headteacher of the school / academy / college

The Education (Pupil Registration) (England) Regulations does not permit Headteachers to give authorisation for absence retrospectively.

Payment of Penalty Notices

The arrangements for the paying of penalty notices will be detailed on the Penalty Notice

Payment by way of instalment is not permitted. Payment should be made in full according to the dates as stipulated on the Penalty Notice

Non-payment of Penalty Notices

9.1 Non payment of a Penalty Notice will normally result in prosecution under the provisions of section 444 of the Education Act 1996 or prosecution under section 103 of the Education and Inspections Act 2006.
