Dear Parents and Carers,

As you are probably aware, we usually invite our year 2 children to take part swimming sessions. Swimming is an invaluable life skill and supports children's physical development, confidence, and water safety. These 6 sessions take place at Lime Kiln Leisure Centre throughout term 6.

Unfortunately, due to ongoing underfunding in schools, we are only able to raise enough funds to cover half of the amount needed to continue with swimming this year. Therefore, we will only be able to offer this opportunity if we receive enough parental contributions to cover the remaining half. This will include cost of pool hire, swimming teacher and lifeguard; however we walk there and back so there will be no transport costs.

We are therefore asking for a **suggested voluntary contribution of £15 per child**. Please be reassured that no child will be excluded from taking part if a contribution is not made; however, if we do not receive sufficient contributions overall, we may be unable to run the swimming sessions this year.

To contribute please complete the form attached with this letter and send back to the office with your donation.

We hope you will be able to support this opportunity for the children, as swimming is an important part of their early learning and personal safety.

We will notify you of a decision on Friday 15th May and further details about dates, kit, and arrangements will be shared if the sessions are able to go ahead.

Thank you for your continued support. If you have any questions, please do not hesitate to contact the school office.

Yours sincerely,

Mrs Alison Pass
