READING & PSHE CURRICULUM NEWSLETTER

Top 100 books to read before you leave WBIS!

Our reading incentive is 'Top 100 books to read before you leave WBIS'. The books include some the children experience in school as well as those that are recognised as being good quality texts for younger children. Once your child hits 20, 40, etc up to 100 reads, they get a special prize from Mrs Pass. Books can be borrowed from the school library & classrooms. The local library has a copy of the list so books can be borrowed from there as well. Some books will form part of the children's topics and will be checked off by the teachers.

Reading Workshop for parents

We held a Reading Workshop for parents on Wednesday 13th October. This workshop was designed by our Curriculum Lead to give you the tools and information required to support your child at home. Establish the links between school and home, which are so important in helping your child develop the skills to become fluent readers and create a love for reading. Lots of information was shared at the workshop and links to these resources will be sent with you and have been published on our website.

Thank you to those who did attend, as a lot of work went into these resources. Hopefully, you will find them very useful.

Reading at Home: 150 Club

Did you know if your child reads 5 times a week at home, they could achieve 150 reads by the end of the school year. That's a lot of words! Therefore, we would like to remind you of the 150 Club and we hope that every child will be in it.

Every time you read with your child, please record it in their reading record book as usual. The class teacher records their weekly reads on a class list. Those with 5 reads a week will receive a raffle ticket and be entered into our termly prize draw. There will also be rewards along the way for each 25 reads. Happy Reading!
