

# Wootton Bassett Infants' School

## CURRICULUM NEWSLETTER

### Geography

Look at what we have been learning so far this year.

#### YEAR ONE RESCUE WHITE RABBIT.

Our clever Year One children have been helping The White Rabbit find his way back home to Wonderland. The children were given a series of challenges to do before drawing a map with a set of directions to follow to get the lost Alice in Wonderland character back to his home. We can safely say he is back now with his friends thanks to **the children's aerial map drawings and use of directional language and compass points.**

#### Diversity Week.

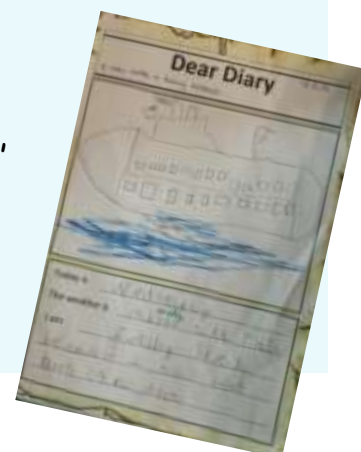

To celebrate Black History Month, all the children across the schools looked at the story *Coming to England* by TV personality Floella Benjamin. The children looked at her journey from her home country Trinidad and Tobago to London.

The children did a range of activities, including art work, food tasting, postcard writing and designing their own suitcase. Floella didn't feel very welcome when she came to England, but all of our children have said that if she came to Wootton

Bassett Infants' school, she would make friends very

We are looking forward to...

Seeing the Year Two's Narnia maps. Learning about the North Pole in EYFS.

# MUSIC

PIC-COLLAGE

We are delighted that we have been able to resume performances for parents and all enjoyed singing harvest songs together in our Harvest Festival 'Easy Peasy Harvest' in October.

We continue to use our music scheme 'Charanga' for our music lessons in all year groups. We especially enjoy listening to songs from a variety of cultures and moving in time to the music.

The glockenspiels purchased by the PTA last year are put to good use throughout our music lessons.

All the children have already been busy learning the songs for the nativity 'Two Thousand Years Ago' and the Christmas carol concert. They cannot wait to perform for the parents again.

The Year 2 children have also begun to learn the recorder so listen out for our musicians at the Christmas concert!
