## Maths Vocabulary Progression

\* Please note: this document sets out EYFS- KS2 Maths vocabulary under the new National Curriculum. Children may be exposed to these set words at an earlier time and there may be overlaps, however, where they have been placed in this table relates to when we would expect the children to understand and apply the words themselves independently. It is expected that key vocabulary is built upon each year and displayed on Maths Working Walls at appropriate times during the academic year, and promoted through mathematical talk in lessons.

### EYFS
