Dive into a World of Adventure and Imagination

Week commencing Monday 22nd June we will be celebrating reading in a variety of different ways. This event is a perfect opportunity for pupils, parents, and carers to explore quality books that cater to every interest. We will be sharing our favourites, promoting our reading raffle, sharing book lists and welcoming you into school to our new style book fair. We will finish the week by inviting you to another Stay and Share Session.

Summer Reading Challenge 'READ TO THE BEAT'

Libraries are inviting children to join their reading challenge. For more information visit your local library

<https://summerreadingchallenge.org.uk/>

Our Favourites

Throughout the week

We will be sharing our staff's favourite reads for some inspiration. We'd love to hear yours.

Why not send in a picture of the weird and wonderful places you like to read your favourite book. We'd love to see them!

Book Fair

Monday 22nd June, 2:50-4:00
Violet Classroom

- Discover the latest children's releases and timeless classics across various genres.
- Support a local independent book shop
- Your participation in the book fair not only fosters a love for reading but also directly benefits our school. A portion of all sales will contribute to enhancing our school library and supporting literacy programs throughout the year.
- Bring your family and friends, and join us in celebrating the power of books to inspire and transform.

Book Lists

Following on from the engagement survey you have asked for some more book lists. BooksForTopics have recently released high-quality and age-appropriate reading for pleasure recommendations. Each list contains 50 recommended reads, from classics to new titles, matched to the age and stage of each year group - [year group recommended lists](#). And don't forget we have our 100 books to read before leaving Wootton Bassett Infants School Challenge.

Stay & Share

Friday 26th June, 9am
Your child's Classroom

We welcome parents to stay for 10 minutes at drop off. Take your child to their classroom, **stay** and **share** a book or two. Let them show you their favourite book from the book corner.

Guest Readers

Throughout the week

The owner of Barn Owl Books will be reading a story to each of our classes. We welcome Rev. Canon Jane who is reading her favourite bible story and the whole school will be listening to 'Gorilla's Story' on Eco Day plus lots more.

Visit the school website for more information - [reading at WBIS](#)
