

**The free holiday activity  
and food programme**

**Dear Parent/Carer,**

I am pleased to inform you that your child is eligible to attend Christmas FUEL programme.

FUEL is a free holiday activity and food project that offers children the opportunity to take part in a range of fun activities during school holiday periods in 2022. Participants will also be provided with a nutritious meal on each day that they attend.

FUEL camps will run in 10 locations across Wiltshire, Monday to Thursday (10am to 2pm), from 19 December - 22 December.

The FUEL programme is available to eligible children attending primary, secondary or special schools and is not open to pre-school children.

You can apply for all four days or just the days you want to attend. Spaces are limited so please apply as soon as possible to avoid disappointment. All applications will be assessed and participants will receive a confirmation email if successful. Please note one-to-one care is limited.

Please apply by completing the application form using the link below. If you have multiple children you will need to apply for each one separately. If you require any support with completing this form please speak to your school.

Please find below a leaflet providing more details about the FUEL programme that you can share with your child. For further information on camp locations, food provision, activities on offer and the nutritional workshops please visit <https://www.wiltshire.gov.uk/leisure/fuel-programme>
