Dear parents/carers

Extra transition visits to Noremarsch Junior – Wednesday 5th June

We are really looking forward to welcoming your child to Noremarsch Junior School in September but understand that moving schools can sometimes be a worrying and daunting time for many children and parents. With this in mind, we have arranged for a small group of Y2 children to have an additional visit to Noremarsch Junior School during the afternoon of **Wednesday 5th June** to help make the transition easier for them.

We feel that your child would benefit from taking part in this visit to ensure that they feel confident and ready to move on in September.

During their visit the children will be shown around the school by our Y6 school ambassadors, meet key staff and have the opportunity to ask any questions they may have. They will take part in some fun activities to help them feel comfortable in our school environment with the aim for them to feel confident and looking forward to the move to KS2 in September.

The children will be walked to and from Noremarsch by staff from Wootton Bassett Infant School, who will also accompany them at all times during the visit.

Please could you complete this link to consent to your child attending the session.
