The academic year has flown by and we have now entered the last term. As always, we have lots planned.

### 'Get Active' Day

On Thursday 23rd June we have organised a 'Get Active' day at school where all the children will take part in sports & fitness activities. Each class will take part in a 30 to 40 minute session.

We are keeping our fingers crossed for good weather so that this can take place outside. Children will need to come to school in their PE kits (these will be sent home on Wednesday) or appropriate sports kits if preferred, a sunhat, a named water bottle and sun cream.

#### Year 2 Transition to Noremarsh

Please familiarise yourself with all the arrangements for your child's induction. All the information can be found on our website under Parents, Year 2 transitions.

## Saying goodbye to Year 2

It is nearly time for us to say good bye to our Year 2 children as they start the next phase of their journey.

On Wednesday 20th July (weather permitting) we would like to invite our Year 2 parents into school for a special celebration. More details to follow.

## Enjoying the sunshine?

We are hoping that the warm, sunny weather continues so please ensure that your child has a hat and water bottle with them every day.

We'd also advise that you apply sun cream before school.

## PARKING

We have noticed an increase in the number of cars parked on the double yellow lines outside school.

Please help us keep your children safe by parking responsibly.

## End of Year Reports

On the week commencing **Monday 18th July** our reception and year 1 children will be spending a morning with their new teacher. Following their visit you will receive :

- Confirmation of which class they will be in next year
- Their School Report
- Assessment Data
- Annual Attendance Report

Year 2 parents will also receive the above but Noremarsch will notify you of what class they will be in in September.

We will shortly be forwarding information regarding the migration of your School Grid account. If your child is currently

in reception or year 1 you will not need to do anything at all. If you are in year 2 please do not try to set up your own account or change the school. Noremarsch and ourselves will do this for you and siblings will automatically link. In theory, the only thing you will need to do is add a payment method as your child will no longer be entitled to a free school meal (UFSM) unless they qualify for pupil premium funding. Noremarsch accounts will be set up towards the end of the summer holidays so please keep at eye out for an email. If you are still not sure please contact the either school office.
