## Newsletter - Issue 10

Our School Value for this term is:

**We are proud of our achievements and those of others**

### What a great year 2021-22 has been!

We have enjoyed our first full year for a while and it has been lovely to come together as a school to share successes, and to enjoy lots of special days, visits and visitors.

The children have tried hard, shown exemplary behaviour, produced fantastic work and looked after each other.

Our Year 2 children have been excellent role models and we want to wish them all continued success in KS2. We will miss them but know that they will be amazing!

Thank you to all the staff for their continued hard work and for everything they do for the children. I know they are all ready for the summer break but will be looking forward to doing it all again next year.

It is with a heavy heart that we say goodbye to Mrs. Loveday, Mrs. Randall and Miss Kingdom. We know how much support they give the children, and they will be greatly missed. We wish you lots of luck in all your new ventures.

Finally, all that remains is for us to say thank you for your continued support this year. We would like to wish you a lovely summer holiday and look forward to welcoming you all back on Friday 2nd September.

## Term 6 Reading Challenge Winners

Congratulations to: Abigail & Jude (Rec), Noah S & Jackson (Y1) and Holly C & Aria (Y2)

They got to enjoy chocolate milkshake and biscuits with Mrs Pass in the Library.

We have been so impressed with the improvement all the children have made with their reading over the year. Please keep up the fabulous work over the holidays - it really does make such a difference when they return in September. Why not join the Library Summer Reading Challenge to encourage your child with their reading.

## Our PTA

We'd like to say a massive thank you to Carla, Becky and Sarah for all the time & effort they have put into fundraising over the last couple of years.

Without the PTA the school would not be able to buy the extra things that make our school so special.

Currently we do not have a PTA for next year, which not only means no extra funds for the school but no disco, Summer Fete or Christmas Lights.

If you can spare a little time they will be holding their AGM at the start of the new term and would love to see some new faces.

### Our latest Bikeability Graduates

The Bikeability scheme has proved to be very popular with all the children. By the time the children leave the school in Year 2 they will have had the opportunity to take part.

We'd like to congratulate our latest graduates from the scheme -

### 100 books to read before you leave WBIS

The 100 books to read before you leave WBI aims to encourage reading for pleasure as they are all books that are highly regarded

and are books that the children are encouraged to share at home as well as being key texts that we explore through topic work, assemblies and reading to the children at the end of the day.

It is an amazing achievement to have read all 100 by the time they leave the school, so massive congratulations goes to Christopher, Hedley and Harry L for their fantastic reading

## Celebrating our School Values

Our school value this term has been “We are proud of our achievements and those of others”

While are proud of all the children in school, these children have shown all of the values throughout the year and have made the teachers especially proud. Well done
