Exciting news!

We are now on Twitter

We are always looking for new ways to share the exciting and fun things we do in school with you and the local community. We will be using Twitter to help us do this.

We plan to use this as a sharing tool. Commenting and tagging will be turned off and we will never name the children in any tweets. We will be using your existing social media permissions but if you would like to change, check or discuss this further, please contact the school office by the end of the week.

You can follow us at:
