With the Christmas holidays fast approaching, we just wanted to say what a great start to the year we have had and, despite the endless coughs and colds over the last couple of weeks, the children have enjoyed some wonderful events. Thank you for your continued support and we all look forward to welcoming you back in January.

Just to confirm we are returning to school on Tuesday 3<sup>rd</sup> January.

On our return in January, we are going to make some slight changes to the way the children come into school in the mornings.

Both gates will open at approximately 8.50 am as they do now but, we are asking that all the children to go straight to class rather than waiting with their grown-ups in the playground.

The teachers will be in the ready to receive them, and we just ask that you watch them from the playground until they enter the classroom. A member of staff will always remain on the gates and are available to take messages.

Gates will close at 9.10 am.

Arrangements for collection at the end of the day remain the same.

If you need to see your child's class teacher, they will be available at the end of the school day unless it is an emergency.

Please contact the school office if you have any queries.

It just remains for us to say....

Have a wonderful Christmas  
and a  
Happy New Year.
